Boat without a motor (kayak, etc)

Motor Horsepower:

Motor Make:

Boat IL License #:

**Release of Liability:** The undersigned hereby releases and holds harmless Otter Lake, the Otter Lake Water Commission, ADGPTV a public corporation of Illinois of lease dated January 1, 1970 from any and all liability either in law or equity for any damages that may occur by reason of execution of this application and issuance of a license therefore. I own liability insurance not less than \$25,000 (homeowners or other).

I confirm that the above described motor does not exceed (115) marine horsepower and that any violation of the horsepower limit or boating ordinances while this boat is being used on Otter Lake will cause a penalty of the boating permit to be revoked without refund.

I have read and agree  
to abide by all rules  
and regulations

Signature(s) of  
Boat Owner or  
Responsible  
Applicant
