Summer has begun!

Another camping season is passing us at light speed, I truly hope you have been able to take advantage and enjoy your time at the campground and lake, if not we have plenty of great weather coming our way, so come on out to the lake and enjoy!

The return on "Otterlympics" was a huge success, with the West taking Gold, South/Southeast taking Silver and North taking Bronze. This event would have not been possible without the tireless efforts of our volunteers: Pam, Richelle and Melissa; thank you so much. It was great to see the entire campground come out and compete in some very creative games.

Our staff works hard to keep the campground and its facilities looking great. If you see a need please don't hesitate to call me or the bait shop and let us know about it. I appreciate your input.

Enjoy the rest of this camping season. Lake life is a blessing for each and every one of us, including me.

Dennis Ross, Park Manager

Important Notice

No camping season can go without a few bumps in the road, this year is no different. It is my desire for everyone to have a great time, every time you come to the lake. I have had several complaints especially on the south campground of young kids running around late at night knocking on doors and running off. You may have already seen the notice on bicycles after dark. **All bicycles must have a working headlight and taillight if they are ridden after dark.** For your convenience we now stock bicycle lights at the bait shop. This issue as with most of our issues is worse on holiday weekends as the campground has many guests visiting. I can't believe I need to make this request, but please keep track of your children and the children of your guest, so everyone can enjoy their time at the lake.

Bicycle Rules

Any bicycle being ridden within the campground between dusk and dawn must be equipped with a working headlight and taillight.

Failure to insure your children and guests comply with this rule may result in the loss of your lease.

Please let's work together and keep our kids safe.

Visit us at otterlakepark.net and subscribe for our news and alerts. Get information of importance sent right to your phone or computer by email or text messages. This will be our system for mass notifications and timely alerts.

There is a weekly 50/50 drawing for campers every week until Labor Day.

We have a basket which have the numbers of each campsite. If the number we draw is in the drawing they are the winners for that week, if not the money rolls over to the next week. When the pot reaches \$600 we will draw until there is a winner.
